visitor@cimamotor.com

www.cimamotor.com

As the only state-level motorcycle exhibition in China and the largest one in Asia, CIMAMotor has become a leading global professional motorcycle exhibition. It is an important platform for launching new products and technologies, as well as venue for brand displaying, product trading, technology transferring, and information releasing. It leads the development of China's motorcycle industry.

More than 50 activities will be held during CIMAMotor 2025, creating additional interactive opportunities for enterprises and motorcyclists.

These activities include:

- China Motorcycle Chongqing Forum
- B2B Matchmaking Events
- China Two-Wheeler Cross-Border E-commerce Trade Fair
- Carnival Night
- Knight of Labor Festival
- Favorite Motorcycle Models Selection
- Flag-Raising Gathering in Chongqing
- CIMA Knight Selection
- C-Turn Show
- Riding Gathering
- Slow Race
- Gymkhana
- CIMA Town
- Charity Campaign for Girls' Education
- Secret Riding Routes Collection
- Test Ride
