Review of CIMAMotor 2025: Asia's Largest Motorcycle Exhibition

CIMAMotor 2025 spanned 160,000 m² (7 halls): 80,000 m² indoor display; 80,000 m² outdoor dynamic/interactive zones.

950 exhibitors (full industry chain), showcasing global top-tier manufacturing capabilities.

75 motorcycle/electric vehicle brands, 3,000+ static/dynamic vehicles; 38 launch/test drive events (50 new models unveiled).

250,000+ total attendees: 40,000+ trade visitors; 3,861 international visitors.

100+ purchasing requests (Japan, Russia, Malaysia, etc.); targeted matchmaking for 200+ Chinese enterprises.

855 media outlets (1,621 on-site journalists); 400+ culture influencers, 600+ industry KOLs, 2,500+ clubs – driving multi-dimensional, cross-channel outreach.

As China's only national-level and Asia's premier motorcycle exhibition, CIMAMotor is a world-leading professional event. It serves as a key global platform for launching new products and technologies, showcasing brands, facilitating trade, enabling technical exchanges, and releasing authoritative industry insights, guiding development trends in the global motorcycle industry.

30+ on-site activities (2026)

diverse scenarios for enterprise/motorcyclist engagement:

- China Motorcycle Chongqing Forum
- B2B Matchmaking Meeting
- General-Purpose Machinery Import & Export Exhibition
- China Two-Wheeler Cross-Border Livestream E-commerce Trade Fair
- CIMAMotor Carnival Night
- Labor Knights Festival & Awards
- Favorite Motorcycle Models Selection
- Flag-Raising Gathering in Chongqing
